Alpana Srivastava is a Partner at and heads the Pune office of Desai & Diwanji.

Professional Experience

Alpana's practice focuses on domestic and cross-border mergers & acquisitions, private equity investments, venture capital and early-stage investments. Her experience includes advising on FDI, FEMA and RBI related issues; conducting due diligence, advice on regulatory approvals, document drafting and negotiations, including negotiations relating to shareholder disputes; managing high-stake litigations, handling large contractual claims and the like.

She also regularly advises on matters relating to employment, ethics & policy, preparation of employment agreements and policies, advising on reduction in manpower, handling separation of senior management personnel, undertaking and advising clients on investigations pertaining to POSH complaints, ethics violations, corruption and anti-bribery actions and conducting anti-bribery trainings, etc.

Her clients include large domestic companies, multinational corporations, international companies doing business in India, investment funds, NBFCs, and start-ups.

She works closely with her clients, who value her responsiveness, communication, dependability, experience and problem-solving abilities.

This is a general overview of Alpana's practice. Please contact her to receive a more detailed statement of her experience in any particular area of her practice.
