Akshay Bhagchandani is an Associate Partner at Desai & Diwanji's Gurugram office.

PROFESSIONAL EXPERIENCE

Akshay specialises in cross-border and domestic M&A, private equity and venture capital transactions across industry sectors. He has also successfully represented clients in different various joint-ventures, acquisitions, divestments, business transfers, financial and strategic investments and exits; corporate and business restructuring including in dispute settlement scenarios, general corporate advisory and the like.

His clients include large domestic companies, multinational corporations, private equity firms, venture capital funds, start-ups and early stage emerging companies.

He works closely with his clients, who value his experience and ability to strategise, handle complex situations as well as provide comprehensive and result-oriented solutions.

This is a general overview of Akshay's practice. Please contact him to receive a more detailed statement of his experience in any particular area of his practice.
