Jaya Devashish is a Partner at Desai & Diwanji's Pune office.

Jaya has expertise in M&A transactions, private equity and debt investments, joint ventures, commercial contracts, corporate governance and general corporate law. She regularly advises clients on matters relating to employment, ethics, policy and code of conduct. Her sectoral experience includes experience in manufacturing, automotive, consumer and retail.

Her clients include domestic companies, multinational corporations, HNIs, MSMEs and growth-stage companies.

She has over two decades of law firm as well as in-house experience. She works closely with her clients, providing valuable inputs for problem solving, and is much valued for her experience and practical insight on matters.
